

For Further Reading

NOTE: This is, of course, a partial list. There are other noteworthy books that can be on this list. I have simply cobbled together a list from my own library and knowledge of what is out there. If you know of a book out there that is quality that is not on this list, by all means, read it!

NOTE 2: I have categorized merely along reading level lines rather than topic. For many, the topic can be divined from the title and/or subtitle. For others, Google the title to get a sense of what topic it covers.

NOTE 3: These are listed in no particular order of priority.

Beginner Level

- 1) Welcome To College: A Christ-Followers Guide For The Journey--Jonathan Morrow
- 2) Fish Out Of Water--Abby Nye
- 3) University Of Destruction: Your Gameplan For Spiritual Victory On Campus--David Wheaton
